4C Offshore is an independent marine energy consultancy. We offer market intelligence for offshore wind and provide subsea cable consultancy to bring projects to fruition.

## MARKET CONSULTANCY

We will provide you with clear and comprehensive bespoke reports using experience, technical knowledge, exclusive contacts and access to 4C's extensive databases.

4C's clients include;

## SUBSCRIPTIONS

We offer subscription based market intelligence services, including reports, databases and analytical tools, to help you and your business stay informed.

- Offshore Wind Farms
- Wind Turbines
- Wind Farm Service Vessels
- Construction & Maintenance Vessels
- Subsea Cables & Grid

## CABLE CONSULTANCY

We can advise and support you with your planning, technical, legal, commercial and insurance issues, regarding submarine cables and subsea pipeline projects for power transmission (not limited to offshore wind).
